Introduction

Each NAC is requested by the EAC to complete the following overview and submit this to the EFPA Office in Brussels by February each year.

The completed forms will be placed on the *EuroPsy* webpage (<http://www.europsy-efpa.eu/>), and should also be placed on the national *EuroPsy* website.

The answers on the form should be in line with the application of the NAC as approved by the EAC.

Some items can be completed by providing a check mark or a brief answer (e.g., filling in a date, name, number or address).

With other items further descriptive information is required from all NACs.

There are also items which some NACs can answer by providing a tick while for other NACs there is a need to supply descriptive information. Further clarification will be needed whenever there is not a uniform arrangement for all fields of practice in a country.

Each item has a number and you are asked to provide descriptive information in an Appendix of which the number corresponds with the number of the item.

NB Please indicate with the item where you add an Appendix: “see Appendix 1”, “see Appendix 2”, etc. The form should be complete when all grey text has been completed.
